Contest Notification to finalists

July 10th, 2024
September 20th, 2024
October 1st, 2024

THEME: "Eye beyond the Surface".

CATEGORIES:

- **Clinical:** Images obtained using clinical techniques such as optical coherence tomography (OCT), retinoscopy, fundus photography or other diagnostic modalities.
- **Basic:** Images obtained from research investigations by microscopy or other imaging techniques that highlight cellular structures, pathological changes, or experimental findings.

AWARDS:

- One winner per category will receive the prestigious "Andrzej Grzybowski EVER Award" during the EVER2024 AWARD CEREMONY.
- The jury may award honorary distinctions.
- Awarded photographs will be featured in a gallery hosted on the EVER website.

SUBMISSION GUIDELINES AND PROCESS:

1. For EVER members and EVER2024 attendees only.
2. Each participant can submit **one photography per category**.
3. All submissions must be original work and must not have been previously published or awarded in any other contest.

Files must be:

1. Image:
 - a. Format **JPEG, TIFF or PNG**.
 - b. Size: **15x21 cm** with a **resolution of 300 pixels/inch** and a **maximum of 1MB**
2. Associated files for each image (**PDF format**):
 - a. Author's name and affiliation and a brief description (**maximum 150 words**) of each photograph, detailing the scientific significance or clinical context behind the image as well as the technique used.
 - b. Author's agreement on the presentation of their works at EVER website, EVER congress and EVER social media.

Submissions must be sent by email to: EVERphoto2024@gmail.com

IMPORTANT!!!

Files should be named as follows:

- **Clinical:** Autor's First name_Surname_C
- **Basic:** Autor's First name_Surname_B
- **Agreement:** Autor's First name_Surname_A

Example: John Smith submits one clinical and one basic image:

- Image and its pdf: John_Smith_C
- Image and its pdf: John_Smith_B
- Agreement: John_Smith_A

SELECTION PROCESS:

1. **The EVER Jury will select up to 15 finalist entries per category.** Photographs will be evaluated based on: *scientific relevance, visual impact, clinical or research significance, and technical excellence.*
2. **The finalists' images will be exhibited at the upcoming EVER 2024 Annual Meeting.**
 - **Printing of the images will be the responsibility of the author.**
 - Finalists will receive further technical details.
3. **EVER participants will vote on the exhibited finalist images via the EVER app.**
 - a. Each participant will vote for the best image in each category.
 - b. The photograph with the most votes in each category will be declared the winner.
